

Three Page Self-Print Instructions

1. Print as many page #1's, #2's and #3's that are needed to achieve the pantograph length you want.
2. Cut along the dotted line of one of the page #2's and page #3's. Repeat the process for all page #2's and page #3's that were printed.
3. Overlap one page #2 on top of one page #1, making sure to line up the design. Permanently tape or glue in place. Repeat the process for all page #1's and #2's that were printed.
4. Overlap one page #3 on top of one previously joined page #1/#2 set, making sure to line up the design. Permanently tape or glue in place. Repeat the process for all page #3's that were printed.

4. Overlap one page #1/#2/#3 set (assembled in the previous step) on top of another, making sure to line up the design. Permanently tape or glue in place. Repeat the process for all page #1/#2/#3 sets that were printed.
