FORMATTING & PKG: URBAN ELEMENTZ

WWW.URBANELEMENTZ.COM

RECOMMENDED SIZE: 10.5" and comes in lengths of 44/68/94/124 inches long,  
resizing from these dimensions is not recommended.

**NOTE:** This design stitches left to right and right to left. Multiple row repeats do not connect to each other like a regular pantograph. Tying off the multiple row design and repeating is required. In most systems a block set up is recommended.
