Innovative Designs for Quilters and Crafters

Featuring Butterfly - Purple Dotz - Applique

Design Board Catalog

Winter 2026

Bellflower
Design Board

© Patricia E. Ritter

Design Boards

*Design boards are made of a strong, light-weight PVC like material with nonskid backing.
Multiple boards can be connected end-to-end to make longer boards.
Connectors are supplied when ordering multiple quantities of the same design.
These design boards are made to be used with a stylus.*

Design board sets include two of the same design boards to create a larger overall design.
The set size listed is the total size of these two boards together.

Additional information and pricing can be found at:
